

# BLUE BAG FOOD MINISTRY

This MONTHLY ministry is designed so that any member can pick up a filled bag from the church building to give to families, friends, and neighbors who need food for various reasons like:

- Loss/lack of income (most common)
- Military families
- New baby in the home
- New family in your neighborhood
- Long-term illness

Food is purchased, and bags are filled by church members EVERY month and brought to the church building to be delivered by our team. We deliver to local low-income schools and military families twice a month.

This is more than just filling bags with food. This is an opportunity for us to fill homes with the love of Christ!

Food bags are around \$35 worth of food. [Please, stick to the list.](#) You can pick up a Canyon View reusable blue bag to fill. Our goal is 45 bags each month.

Can't shop, but want to donate? Put donations marked for "Blue Bags" or "Food Ministry" in the contribution box.
