

MONTHLY

BLUE BAG FOOD MINISTRY

**PLEASE:
NO GLASS CONTAINERS,
NO EXPIRED FOOD,
AND NO PERISHABLE FOOD
THANK YOU!**

Food bags are approximately \$30 worth of food. Please, **no bulk items**. You can pick up a blue Canyon View, reusable bag (with our name and contact info imprinted) to fill.

This a MONTHLY ministry, where food bags are purchased by church members EVERY month and brought to the church building.

Our goal is **40 bags** each month.

We regularly donate to local low-income schools and military families, and they appreciate every bag we give them!

This is more than just filling bags with food. This is an opportunity for us to fill homes with the love of Christ through manifesting His love and compassion!

Let us seek to **BE** His hands and feet, together!

The Food Bag Ministry is designed so that any member can pick up a filled bag from the church building to give to families, friends, and neighbors who need food for various reasons like:

- **Loss/lack of income (most common)**
- **Military families**
- **New baby in the home**
- **New family to your neighborhood**
- **Long-term illness**

**Can't shop but wish to donate?
Please give your donation to Sue Youngflesh.**
