ATTENTION

**NO GLASS CONTAINERS,
NO EXPIRED FOOD,
AND NO PERISHABLE FOOD
THANK YOU!**

**Please add a Christmas
decoration to your bag, either to
the outside or on top.**

Our goal for December is 50 bags.

Food bags are approximately \$30 worth of food. Items on this list have been chosen carefully to fit into blue bags. You can pick up a reusable Canyon View blue bag to fill (our name and contact info imprinted).

This is a MONTHLY ministry where food bags are purchased by church members EVERY month and dropped off at the church building.

We regularly donate to local low-income schools and military families, and they appreciate every bag we give them!

The Food Bag Ministry is designed so that any member can pick up a filled bag from the church building to give to families, friends, and neighbors who need food for various reasons like:

- **Loss/lack of income (most common)**
- **Military families**
- **New baby in the home**
- **New family to your neighborhood**
- **Long-term illness**

**Can't shop but wish to donate?
Please give your donation to Sue Youngflesh.**
